March Principal's Message

Dear Parents:

Welcome to March and the thought that our third quarter is already quickly coming to an end this month. This year is going by quickly, and a great deal of activity continues to take place at CSLA as we head toward the end of this school year. A special Thanks to the PTO and ALL the volunteers that made our Literacy Fair such a huge success. It seems there is much to accomplish before that time arrives. So if you still have not had an opportunity to volunteer 20 hours to the school there are still many ways for your help. Realizing, albeit begrudgingly, that not every one of you pores over my newsletter, please be sure to pay special attention to the following items:

“Green Dress Day” – On Monday, March 17th, students may wear green attire to school. The green clothes do not need to follow the regular dress code; however, all clothing **MUST** be appropriate for any regular public school. Students, be sure to thank your local student council representative for sponsoring this fun day.

Kindergarten Registration – Accepted Kindergarten students will have Kindergarten Registration during the week of April 7-11. The registration time will be 9-11 am and 12:30-3:00 at the front desk. Please come during these hours to complete the registration process. Make sure you bring a birth certificate, proof of vision screening, and an updated immunization record. If you have questions about any of these requirements, please call the school and speak with Mrs. Church or Mrs. Alvarado at 754-3376. You may also email Mrs. Church at nchurch@cslewisacademy.net. During registration, parents will be given an opportunity to schedule a time for “Kindergarten Roundup” testing. “Kindergarten Roundup” testing will take place during the week of April 21-25. We are so excited to meet all of the new students to our school for next year!

First-Seventh Grade Registration – School registration for students who have been accepted to CSLA for the 2008-2009 school year will be during the week of April 7-11. The registration time will be 9-11 am and 12:30-3:00 at the front desk. Please come during these hours to complete the registration process. Students who have not previously been registered in a public school will need to bring a birth certificate and an updated immunization record. Students currently enrolled in another public school will not need to provide that documentation. It will be requested over the summer from the previous school. Students currently enrolled at CSLA will automatically roll over into the next grade level. Please let us know as soon as possible if you are not planning on your children attending C. S. Lewis Academy for the 2008-2009 school year. We have many children on our waiting list who would love to attend.

Have a great March!
Mr. Finch
