**Thanks to all who purchased items through the Pampered Chef Fund Raiser!!! Every little bit helps our school!!!!**

**HAPPY NEW YEAR** to all the wonderful students and families of C. S. Lewis Academy! We are excited to continue serving you with activities and fund raisers that provide the amazing educational opportunities the children enjoy daily.

If you're making a resolution for 2009, please consider adding some volunteer hours at CSLA to your goals. We have many dedicated parents who are at the school weekly or even daily, helping with everything from reading to library time to lunchroom supervision. We can't express enough gratitude to these parents, and we know this makes a huge difference in your children's academic progress. We invite those who haven't taken the opportunity to be part of the energy and progress that characterize the CSLA experience.

If you're unsure what you can do to contribute to the school's growth, please contact any of your PTO board members:

### Volunteer Spotlight

**A HUGE THANKS** to Raquel Turner for going above and beyond. Raquel has been coming in since the beginning of the school year to help the children read and assist Nadia with the Thursday folders. Even though she is now employed by CSLA assisting in the Special Ed Department, Raquel continues to volunteer in her spare time. Those she works with say she is always reliable & very on top of things!!!
