Give your daughter a chance to experience the joys of movement and clean fun dance.

We believe dance should be exciting as well as instructional and lots of fun.

Flexibility, proper technique and the importance of stretching will be stressed.

A variety of good music will be used to maintain a fun atmosphere.

Classes will consist of Ballet, Jazz, and Lyrical, Hip Hop, Tap steps, Bar Work, Center Floor work, Turns and
Progressions. Rewards will be given regularly based on participation, not ability.

Our goal is to assist each girl in gaining Confidence, Poise, and Self Expression through the Love of Dance.

Every Child is a Star!

Every Child has Talents to share.

All classes are one day a week.

Start out the year with some new friends and a great dance class

BOX TOPS

Congratulations to Mrs. Swasey's 1st Grade class for winning the January Box Tops contest.

Our February contest is underway now. There are only 2 weeks left to turn them in and give your child's class a chance to win. Make sure you include the teacher's name so we can give them proper credit.

Make sure to check your expiration dates to ensure we don't miss out on any money for the school. We are more than halfway to our year goal of \$1,000 so let's try our hardest to meet that goal.

Also, I have received many inquiries about whether or not we participate in Campbell's Labels for Education. While we will not be holding any special contests for collecting labels, we always welcome them at the front office or in your child's classroom as well as Cream O' Weber's Give 'em 5 Milk Caps. If you have questions about any of these things, please feel free to contact me, Julie Siemer, anytime at 801-602-1657
